**Topic/Subject:**  
NYPD LEGAL BUREAU

**Summary of Investigation:**

- On August 31, 2016, at approximately 1800 I did contact the NYPD legal bureau in regards to this investigation. The purpose of the call was to ascertain if there was any probable cause to arrest the suspect Joseph Alrick in regards.
- I did speak with Elizabeth Moehle of the unit in regards. She is a civilian attorney assigned to the legal bureau. I did go over the facts of the incident and subsequent investigation in regards. I explained that I had been given information by LMSI in regards to the unk. vehicle which had struck the victim. The owner of the possible vehicle was interviewed by me via telephone. An in person interview was attempted but the male Joseph Alrick was not at home when I did attempt to speak with him. I then stated that the video in my opinion was inconclusive. It depicted a similar vehicle however the plate was not readable. The suspect / registered owner Alrick did immediately retain counsel the same day after speaking with me. The victim can not make an identification and there are no known eyewitness accounts of the incident which include a description of the driver or the plate of the vehicle.
- I was informed at that point that there is no PC against the registered owner of the vehicle. In order for that to occur the driver of the vehicle would have to admit to such. Or there would need to be some other witness to state and identify the driver and that they did in fact observe the male driving the vehicle. Either one or both of those elements must be present in order to effect an arrest.
- In essence there is no legal right or authority to arrest Joseph Alrick in regards to this investigation.
- Case is active.
